

ion Pricing and Packaging

Subscription to the ion landing page platform is based on the number of unique visitors you send to your landing experiences. Price tiers are:

10,000 unique visitors per month / 40,000 total visitors storage, \$1,295 per month

50,000 unique visitors per month / 200,000 total visitors storage, \$1,895 per month

100,000 unique visitors per month / 400,000 total visitors storage, \$2,395 per month

200,000 unique visitors per month / 1,000,000 total visitors storage, \$3,895 per month

500,000 unique visitors per month / 2,000,000 total visitors storage, \$7,295 per month

1,000,000 unique visitors per month / 4,000,000 total visitors storage, \$9,895 per month

Subscription rates are available upon request for 2,000,000-30,000,000 unique visitors per month

You'll have all the sophisticated functionality you need to make everyone one of your landing pages into targeted, specific conversion machines. Our solution includes:

- **Amazing web experiences.** Experiences that translate to deals - look no further. Create single landing pages, multi-step experiences, microsites, mobile experiences and more - all without code or development.
- **Unparalleled sophistication.** From dynamic content substitution to highly personalized content - powerful, customized features that offer a higher degree of sophistication.
- **Built-in best practices.** We know what works, and have taken that knowledge and translated it into customized quick starts for you. Don't wait weeks to get a full optimized landing page out the door - create pages in minutes for lead generation, e-commerce, social, mobile and more.
- **Code-free interactive content.** Accordians, lightboxes, tabbed content, content rotators, layered content and customizable ready-made widgets - all marketer driven.
- **Flexible forms, exports, and integrations.** As flexible as you need them to be. The platform's forms, exports and integrations are customizable and allow for multiple system interaction.
- **Conversion-focused analytics.** Performance gauges, behavioral insights, customized automated reporting and call tracking integration allow for full visibility into your landing page performance and its impact on your marketing programs.
- **Agile A/B and multivariate testing.** Launch test without code. Whether it's A/B or multivariate testing - you'll be able to quickly launch a test and be confident in the results.

Unlimited Power, Unlimited Possibilities

Our solution provides unlimited scalability for your organization.

- ✓ **Unlimited Seats** — Everyone in your company can use it
- ✓ **Unlimited Pages & Page Views** — Create and launch all the pages you want
- ✓ **Unlimited Visits** — Multiple visits from one unique visitor, count simply as one visitor
- ✓ **Unlimited Testing** — Run all the code-free A/B and multivariate tests you want
- ✓ **Unlimited Phone & Email Support for One User**
