Conversion Optimization

Landing Page Strategy & the Tools to Make it Happen

Look who's powered by ion's LiveBall platform:

LiveBall optimizes the performance of online campaigns by delivering ideal user experiences. It significantly reduces the resources required to manage long-tail content and optimize conversions.

As a direct result of using LiveBall, customers see significant increases in revenue and profit.

- ▶ American Greetings reduced its cost-per-acquisition by 20% in three months.
- ▶ Bronto Software increased its lead-gen conversion rate from 2% to 18% in five months.
- ▶ Citrix Systems increased its search engine conversion rate from 0.5% to 12% in three weeks.

Optimizing the gap between ads and results

LiveBall optimizes the gap between online ads — search, email, mobile, social, display — and results. It creates the first impressions a brand makes on users. By focusing on a user's intent, LiveBall significantly increases user satisfaction. That satisfaction translates into more engagement, more leads and more revenue.

Putting marketing in control

LiveBall is technology for marketers. It's a whole new class of easy-to-use software that saves resources, increases agility and improves results. It's IT independent — putting marketing in control of campaigns from beginning to end. It's a whole new kind of software, for a whole new breed of marketer, from a whole new kind of marketing solutions company.
